1 DAY VIRTUAL PRESENTATION SKILLS MASTERCLASS

LIVE AND ONLINE

ABOUT THIS MASTERCLASS

During this one day fast paced, highly interactive LIVE online masterclass we focus on helping you bring your virtual presentation skills to the next level.

While we do cover theory, we do it in a way that facilitates **learning by discovery**, making the content easier to digest and much more memorable.

WHO WOULD BENEFIT?

This programme is for those who wish to improve how they prepare for and deliver presentations.

While the focus is mainly on face to face presentations – the skills gained on this programme are relevant to any situation where you have to communicate verbally. This means that tools, techniques and skills are transferrable to help the attendees to communicate **with added impact on virtual presentations.**

It is suitable for those who already have some experience presenting but want to bring their skills to the next level.

PROGRAMME OBJECTIVES

On completion of this 1 day programme, you will know how to:

- ✓ Implement a simple 3-step matrix to prepare for success
- ✓ Identify and enhance your own natural style
- ✓ Use the SSS of presenting
- ✓ Apply best practice for posture in a virtual setting
- ✓ Adjust body language for virtual delivery
- ✓ Maximise vocal impact
- ✓ Engage and connect with a virtual audience
- ✓ Control nerves
- ✓ Communicate with increased self-confidence
- ✓ 8 ways to open and 8 ways to close
- ✓ Understand PowerPoint best practice

METHODOLOGY

This programme is participatory, fast-moving and will focus on you learning through discovery rather than “lecture-style” delivery.

We deliver via zoom, using a variety of interactive digital tools and delivery techniques to make this virtual programme varied and engaging. These include:

Breakout rooms to allow participants to discuss topics in small groups

Opportunity for each attendee to do a very short introductory virtual presentation

Online polls and interactive noticeboard for brainstorming and gathering ideas

Individual reflection time

Several opportunities for attendees to contribute formally and ad hoc

1 to 1 brief personalised feedback to each individual on their presentation style with very specific guidance on how to improve

OUR 3-STEP APPROACH

Before the programme, we send you our pre-course questionnaire and some light pre-work. This pre-work is discussed during the virtual programme.

During the programme, we keep things highly participatory. In the brief one to one feedback we highlight what is being done well and give very **specific** guidance on how to improve.

After the programme, you will be given **lifetime access** to a client only area on our website where we have helpful videos, books, talks, blogs and in-depth downloadable programme notes.

While there is an overall atmosphere of fun there is also a serious amount of learning taking place. In order to strike the best balance between personal attention and supportive group dynamics, we limit the number of attendees to **8**.
