# WEBINAR OVERVIEW

Our live webinars offer an alternative type of training to our traditional training sessions.

They are always well received as they are delivered in a light-hearted manner and participants get to take away some really **solid tips** that they can implement straight away!

We allow time for questions and use polls and other tools to make it as **engaging** and informative as possible.

## WHO WOULD BENEFIT

The webinars are ideal for larger groups or those who simply do not have the time to complete a full or half day training session.

They learn the tips and techniques in bite-size chunks during webinars ranging between 1 to 2 hours.

I WAS EXPECTING ANOTHER BORING WEBINAR THAT I'D  
USE AS A CHANCE TO CATCH UP ON EMAILS AND MAKE A  
CUP OF TEA.

“

BUT FROM THE SECOND THE TALK BEGAN I WAS ENGAGED  
AND BUSY TAKING NOTES. I GAINED SOME REALLY  
VALUABLE INSIGHTS FROM THIS TALK, THAT I CAN APPLY  
TO ANY PRESENTATION I'VE TO GIVE IN THE FUTURE!
